Dear Parents/Carer

Informal Parents Evening — Year 7

I am writing to invite you to our Informal Parents Support Evening which is to be held on Monday 16th October from 4-6pm.

This will be an opportunity for you to discuss your child's progress, exchange information and ask any questions you may have in regards to continuing to support them with their studies. This is just a drop-in session, and no appointment is necessary for English Maths and Science as it is a brief opportunity to see how your child has settled into school. However we do encourage you to make an appointment with Mrs Fromm as she will have an overview for your child from other staff members. In the days leading up to the event, Mrs Fromm will be recording appointment times.

Myself, Mrs Fromm and English, Maths and Science staff will be located in the open classroom area, where you will have the opportunity to discuss your child's transition and progress and anything else you would like to discuss.

Mrs Aibi from the Year 7 Pastoral Team will also be available throughout the evening. Please do your best to come along and support your child as it is an important opportunity.

We very much look forward to seeing you as we embark upon our partnership towards ensuring high academic achievement and quality pastoral care for your child.

Best wishes

Jagdeep Dhaliwal  
Deputy Headteacher
