

Leeds Jewish Free School

Prospectus

Welcome to LJFS

At LJFS we offer secondary school provision in Leeds for children aged 11 to 18 that ensures high academic standards, a strong moral ethic, a joy of learning, high aspirations and an expectation to contribute to the local community.

We want our students to be excited by learning and have the highest aspirations for themselves and the community. They will be able to take this forward to lead successful adult lives and to leave a lasting mark on the school and city that educated them.

LJFS is a school that we are all proud of and every family considering it for their child will be offered the chance of a personal tour and meeting with myself. Please contact us if you would like the opportunity to visit the school and find out what we have to offer.

Jeremy Dunford
Executive Headteacher

“Leaders, including governors, are highly ambitious for the school and are keen to ensure that all students fulfil their potential. In two years, they have created a caring school community where students achieve well from their different starting points. ”
