LJFS Year 11 Parent Support Evenings

We are pleased to welcome your child back to LJFS and would like to invite you and your child to a parent support evening to provide information about the upcoming school year. We are hoping to further promote the relationship between parents, staff and students to ensure that all students succeed at LJFS.

The parents support evening will give you an opportunity to find out more about the structure of the school year. This will include information regarding the new assessment framework, how to help your child to study, succeed and what the school will be doing to help your child to achieve their full potential.

The meeting will take place in the Dunford Library from 6.00pm to 6:45pm on Wednesday 27th September.

There will be an opportunity to speak to Mr. Lewis the Year 11 form tutor and senior progress leader as well as myself. We hope that you will be able to attend this important meeting to enable you and your child to further understand the requirements of exams, coursework and general expectations as they prepare for next summer's GCSE exams.

We believe the evening is extremely relevant to you as this is a very important time and we know that parents/carers who are fully informed about the GCSE process can make a huge difference to their child's success.

Best wishes

Jagdeep Dhaliwal
