

LJFS Admissions Form

Supplementary information for Jewish applicants only.
For those applying for entry in September 2019

A parent/carer must complete this form and then return it to the school. In the event that the cohort is oversubscribed then the named referees will be contacted to confirm the information given in this form. This must be completed and submitted to the school by 07/12/2018. If it is not received in time, it may not be possible to treat the child as a priority applicant for the 50% of places reserved for Jewish pupils. If the information is not confirmed by the named person/people then the child will not be considered as a priority applicant for the 50% of places reserved for Jewish pupils. However, they will still be considered for the remaining 50% of places.

Jewish pupils will be ranked based on the scores achieved on this form and places will be allocated accordingly.

It is important therefore that every section is completed and that you confirm that named referees are able to confirm the information you have provided.
