

Advising school of absence

Contact 0113 218 5311 between 8am-8.30 am, please do not use email or any other form of messaging or number- we need to follow Coronavirus protocols.

You will be asked:

May you, anyone in your household or your child have any of the following symptoms?

- **a high temperature** – this means you feel hot to touch on your chest or back (you do not need to measure your temperature)
- **a new, continuous cough** – this means coughing a lot for more than an hour, or 3 or more coughing episodes in 24 hours (if you usually have a cough, it may be worse than usual)
- **a loss or change to your sense of smell or taste** – this means you've noticed you cannot smell or taste anything, or things smell or taste different to normal

Most people with coronavirus have at least 1 of these symptoms.

You will be advised how to proceed and update us.

If you are required to have a test you must advise us of the outcome immediately (the easiest way is to forward the email or text of the outcome to daibi@ljfs.org).

More information on the Autumn reopening of schools is available for the Department for Education on the link below
