

Leeds Jewish Free School

Year 6 Open Evening

We are excited to be able to host our Year 6 Open Evenings once more and welcome prospective students and their parents/carers to our campus.

As a Jewish faith school, our Jewish ethos is core to our learning-achieving an Ofsted rating of Good and demonstrating academic excellence and a varied curriculum. We welcome pupils of all faiths, and those of none but all are treated with respect which is why *'Pupils see LJFS as a 'second home' where they are encouraged to be an individual'* Ofsted 2019.

Come and see our achievements and discover if our family is right for you on Thursday 7th October between 4-6pm. During open evening, you will be able to look around school and experience demonstrations and activities from all our subject leaders. There will be the opportunity to meet the teachers that will be delivering your subjects and ask questions about your choices.

Tours will be conducted with current students who provide an informal opportunity to find out what school life is really like as a student, and what you can expect as a parent or carer.

If you are unable or prefer not to attend in person, there is a video on our website www.ljfs.org, or get in touch to arrange an interview with one of our Junior Leadership team or contact me for an informal chat on 0113 293 0578 slawson@ljfs.org
